

Wednesday 16th September 2026

Dear Parents/Carers,

As part of our environmental education curriculum, each year 1 class will be visiting the Sunnyhill Nature Garden this term for a series of sessions.

1O will be visiting on the following dates: **September 22nd, October 6th, October 20th** from **9:30 - 10:30**.

1T will be visiting on the following dates: **September 29th, October 13th, November 3rd** from **9:30 - 10:30**.

The children will be having an outdoor learning session where they will be taught how to develop a sense of care for the local environment– e.g. trees, trails and plants. This will be led by a forest school practitioner.

We would love parents to join the children as they enjoy the nature garden. Please let your class teacher know in advance if you will be able to join the class for the visits.

Please ensure that the children are dressed for the weather - wellies/ trainers and a jumper or jacket.

Kind regards

Miss Trinite Miss Ofomata
