Dear Parents and Carers,

Re: Green Team Litter Picking

As part of our school's commitment to caring for the environment, members of the Green Team will begin regular litter-picking activities at the start of next term. These activities will take place in designated areas of the school grounds during break time and/or lunchtime.

This forms part of the children's Green Team responsibilities and supports our ongoing work to keep our school environment clean, safe and environmentally friendly.

The children will be provided with the necessary equipment, including gloves, litter pickers and bags. They will receive clear safety instructions.

These activities will encourage teamwork, responsibility and pride in our school community while developing the children's understanding of environmental care.

If you have any questions or concerns about your child taking part, please do not hesitate to contact me.

Thank you for your continued support.

Kind regards,

Veronica Russell

Sustainability Coordinator
